2018 Winemakers' Selections Tasting Notes

We know visiting all of our member wineries during a trip to wine country is a tall order, so we've developed our Winemakers' Selections Tasting Pass, which you are welcome to use at all of our member wineries, all year round. Slow down, take your time and savour over 20 carefully selected terroir wines for one convenient price. To taste at each winery, simply present your printed ticket, or the digital device you've used to download the ticket, to the tasting bar staff so they may scan it for you. Tasting Pass is valid any day throughout the year when the wineries are open.
